WOMEN BATHERS AT

CONEY ARE WARNED Must Wear Stockings, Is Po. lice Edict.

The seasonal warning of Police Capt Sackett, who presides over the Coney Island precinct, was sent out yesterday to the effect that for yet another summer the famous seaside resort must stand upon convention and forego the sight of damsels bathing barelegged. The captain said he was moved to make the announcement thus early because some young women already have ven-tured into the surf minus stockings, un-der the impression that nothing would be done about it. Full length stockings are prescribed

that he died worth \$4,600,000. She op- and short sox may not be offered as a posed the application of the Guaranty substitute. Capt. Sackett said he would begin arresting without delay every female bather who attempts to juggle with his regulations. WANTS MARRIAGE ANNULLED.

fine foreign woolens was never more generous. "Not only got our usual yardage, but landed Scottish and English woolens

at prices under those of do-

mestic fabrics of less fine quality."

That's one reason why we are able to offer clothing for men and boys of precisely the same high standard of ante-bellum years-

At prices no more than is asked elsewhere for quality not nearly so good.

If you've been dogging the steps of fashion-

You've seen our young men's oxfords!

Custom-made effects. Some plain, but plainly smart, as well as others of more marked design, such as our winged cordovans.

Sport shoes, including one for golf (either high or low) of a leather that dries soft, even after an all day's play on wet links.

Other specialties include Sporting Goods and Livery. \*Registered Trademark.

This is the shape of a man's head! Don't laugh!

It's much more symmetrical than the average. The point we want to make is that our new stiff

straws will never bump his bumps. Flexible where they

touch the head. Require no conforming. Result!

Comfort along with the customary smartness that always goes with stiff brimmed Splits and Sen-
